## Sports Earphones

Feel the music inside your body.

In-ear earphone, EAE01, is composed of a full-range driver and asymmetric housing which can deliver ultimate listening experience while exercising or daily commute.

### Features

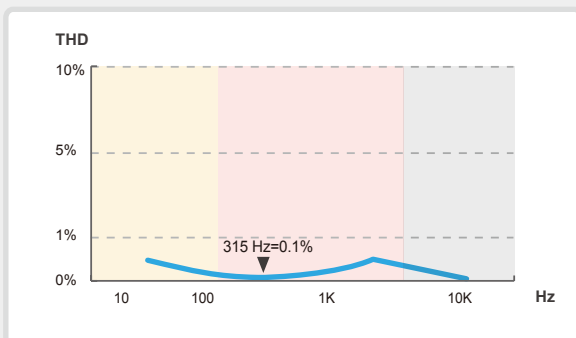

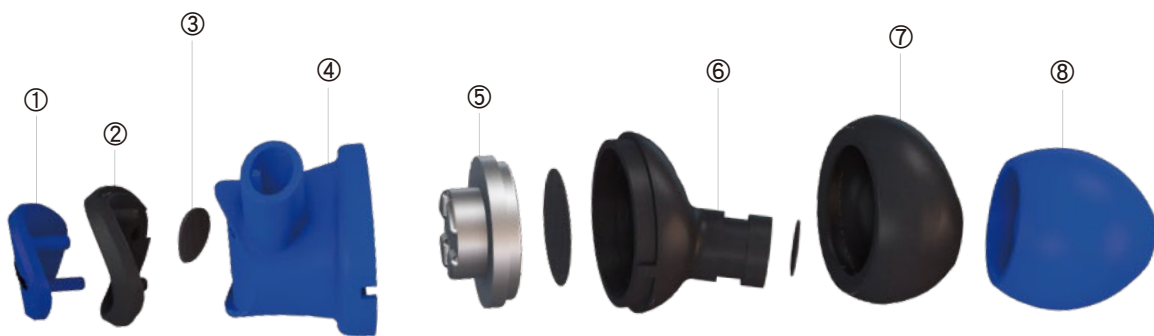

#### Asymmetric housing

Calculated rear housing offers deep and clear sound. In-ear earphone design with oblique front housing can match ears and prevent spill.

#### Full-range driver for deep bass sound

11.4mm driver provides gentle timbre and brings broad sound stage.

No.	Component
1	Deco cap
2	Deco ring
3	Water proof mesh
4	Rear housing
5	11.4 mm driver
6	Front housing
7	Silicone cover
8	Earbud

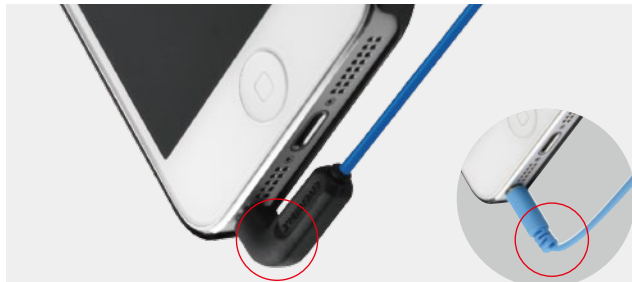

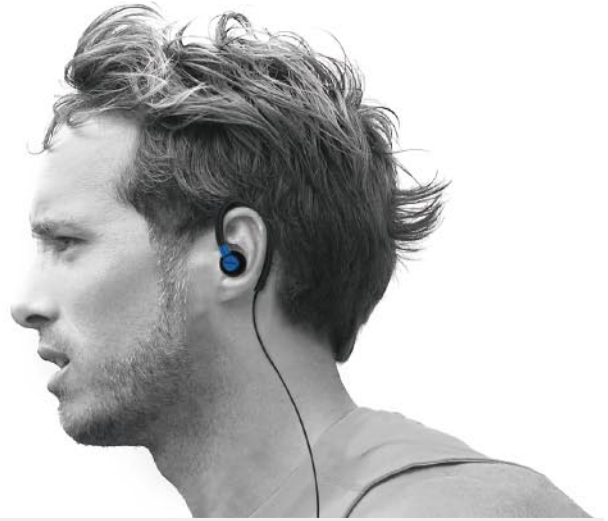

#### Pre-tuned sound frequency by ENERMAX DreamBass™ team

Fine frequency adjustment lowers distortion to deliver dynamic listening experience.

### ▼ Ergonomic liana ear hooks

Liana ear hooks with exclusive elasticity silicone provide long-term wearing comfort and stability for sports and daily commute.

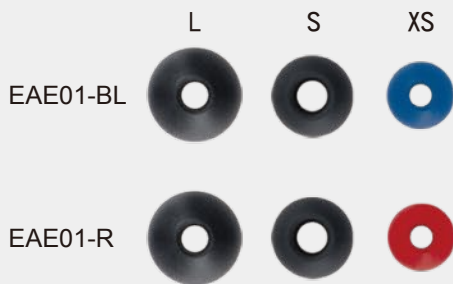

○ More than 50,000 times of stringent plugging test approved

### ▼ L-shape plug

L-shape gilded plug reinforces the cord's durability and versatility.

### ▼ Omnidirectional microphone

In-line remote media playback control with built-in microphone allows easy access to handsfree talking.\*

### ▼ Passive noise reduction earbuds

For eliminating the ambient noise and best personal comfort, 4 pairs of passive noise reduction earbuds in varying size (L/M/S/XS) are included.

Note : The standard size earbud - M is attached to the product.

### ▼ Hard shell portable earphone carrying case included

Exclusive case with soft cloth lining interior pocket offers extra protection for your EAE01.
